LV eBULLETIN - JANUARY 19, 2022

Leisure Village Saturday Night Dance Party

Leisure Village Saturday Night Dance Party scheduled for January 22 has been cancelled. The decision was made due to the increase in the number of COVID cases reported recently in the County of Ventura COVID-19 Update.

LV eBULLETIN - JANUARY 18, 2022

AARP TAX PREPARATION CANCELLED

Due to lack of personnel, there will be no AARP tax preparation in Leisure Village this year. There is still a possibility that other venues in Camarillo and Ventura County may open. Some sites have formally canceled, while others are hopeful. eNews will post any definite information about a local tax prep location as soon as it becomes available. (Please do not call the Recreation Office for updates; new information will not come from there.)

NEARBY COVID TESTING AVAILABLE TWO DAYS EACH WEEK

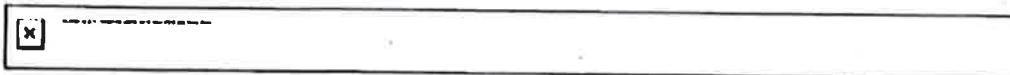

COVID tests are now provided two days a week at the mobile testing site at the Ventura County Office of Education. Testing will be available on Mondays and Wednesdays from 9:00 AM to 5:00 PM at the testing site in the parking lot of the Ventura County Office of Education, 5100 Adolfo Road. The tests are free. The new schedule begins tomorrow, Monday, January 10.

Appointments can be made by phone and online; walk-ups can be served, but delays should be expected. For information or to make an appointment, call 888-634-1123 or apply online at lhi.care/covidtesting.

The testing site is close to Leisure Village: go out the West Gate, turn left on Los Pueblos Drive and proceed to the stop sign. Drive across Adolfo into the parking lot where the testing tent is set up.

A Message from SoCal Edison for Several Villages

During the next few weeks, SoCal Edison will conduct aerial inspections using drones and/or helicopters over some areas of Leisure Village. The aerial equipment will focus only on SoCal Edison equipment ("assets, structures, and rights of way" as the company describes it) in hard-to-reach areas and from difficult angles. The inspections are part of a wildfire prevention safety program.

The aerial inspections will occur over portions of the following villages: 13, 14, 15, 29, 30, 31, 32, 33, 34,35, 38, 39, 40, 41, 42, 44, and the Association Office.

LV eBULLETIN · NOVEMBER 12, 2021

LV eBULLETIN - NOVEMBER 12, 2021

SPECTRUM UPDATE

The news photos of hundreds of cargo ships idling just outside Southern California ports help explain why the repairs and upgrades to LV's internet and television services promised by Spectrum are not moving forward on the schedule originally set by the corporation. Work here is at a standstill as the company waits for necessary parts. The underground upgrades are partially completed. But it's likely that this first part of the project will not be completed until early 2022.

By the new agreement with Spectrum, the upgrades will include internet (200/10 MBPS), a modem and a router, unlimited bandwidth, access to 274 TV channels, high-definition service, HBO and HBO Max, and two DVR boxes. According to the company, the basic charge to a household will total an estimated \$56 a month.
